

Prostate follow-up at Waters Green medical centre

Your after-care following prostate cancer treatment will be delivered at Waters Green Medical Centre, Macclesfield.

The clinic is staffed by specialist Christie nurses who have expertise in managing prostate cancer patients.

In the appointment you will have opportunity to discuss any concerns regarding your prostate cancer, blood test results and treatment side effects. As far as possible, you will be able to see the same specialist nurse at each clinic visit to help with good continuity of care.

If at any point it is felt that you need to see a consultant urologist or specialist cancer doctor then you will have rapid access back into their clinic. We have recognised that it is useful to have an up-to-date PSA blood test performed **before** you get to the clinic so we have the results to hand on the day and we can then discuss them with you. **You need to make arrangements with your own GP practice for this blood test to be carried out 1 to 2 weeks before your appointment date. Please bring a copy of the PSA result with you.**

Your next Christie appointment will be at Waters Green Medical Centre. On arrival at the centre, please book in at the main reception and the staff there will direct you to the relevant waiting area where the nurse will call you through. Your appointment should last no longer than 20 minutes.

If you need information in a different format, such as easy read, large print, BSL, braille, email, SMS text or other communication support, please tell your ward or clinic nurse.

The Christie is committed to producing high quality, evidence based information for patients. Our patient information adheres to the principles and quality statements of the Information Standard. If you would like to have details about the sources used please contact patient.information@christie.nhs.uk

For information and advice visit the cancer information centres at Withington, Oldham or Salford. Opening times can vary, please check before making a special journey.

Open 24 hours a day, 7 days a week

Travelling to Waters Green medical centre

Sunderland Street
Macclesfield
SK11 6JP

Car parking

There are pay and display car parks at the train station opposite the clinic and on the corner of Waters Green and Sunderland Street, next to the Millstone pub.

There is a free car park to the rear of the building. Follow the signs up Waters Green, then second left onto Boden street and the car park is on the left hand side. Enter the building at car deck 1 or 3 and go to the first floor reception.

You will need to enter your car registration number in the machine at reception, and inform reception staff in the unlikely event that you are there for more than one hour.

Public transport

The train station is directly opposite the clinic.

The bus station is approximately five minutes' walk away and is situated just behind the Aldi store. Exit the bus station onto Queen Victoria street and turn right following the road to Waters Green. Turn right at the end into Sunderland street and the medical centre is on the right.

Details of all services are available from www.cheshireeast.gov.uk/public-transport or from Traveline (0871 200 2233).

If you are unable to make your appointment or you have any other queries about your clinic visit, please contact the Macmillan urology secretary at The Christie on 0161 446 8238.
