Lines, David - (Principal Clinical Scientist)	Dyne Technology Ltd	Director	Indirect	Pecuniary	I've been a director of the company since December 2005 (https://beta.companieshouse.gov.uk/company/05660936/officers) I own 0 shares, and take no salary from the company, however the company does pay into a pension fund in my name. I have no involvement in the day-to-day operations of the company, and typically just meet minimum requirements as a director. I can't foresee a scenario where the company would ever do business with the trust, however they have done work in the 'medical sector' previously - with a company that manufactures syringes.	06/09/16	01/08/18	05/01/21
