## The Christie comment form

At The Christie, we are keen to improve the quality of the service we provide.

You can help us to do this in two ways:

- By telling us what you like about The Christie

Please let us know what is important to you.

- By letting us know what needs improving

This could be related to the facilities at The Christie, the way things are organised, or the staff.

Please use the next pages to tell us about any concerns, suggestions or compliments you have.
