

Guide to Accessing eBooks

There are two ways to search and browse the Kistoris Library's ebook collection:

- Using the search function on the library intranet
- Through the library's catalogue (Liberty)

We have various ebook suppliers, if you are having difficulties with a particular supplier, please go to page 3.

Searching from the library intranet:

From the [eBooks](#) page, you can enter a subject into the search box and click search

eBooks for Christie staff and students

Search for ebooks that

If you have any difficulty accessing our ebooks please [contact us](#).

i **NB: ebooks can also be searched for in the library catalogue (Liberty)**
Please click on the icon to search the catalogue

This will bring up a list of titles that match your search term. Clicking on a title will open a right hand pane with a link to the eBook

ProQuest:

Clicking on a ProQuest link will take you straight to an OpenAthens Authentication point. Entering your OpenAthens username and password will take you straight to the resource.

The screenshot shows the OpenAthens Authentication Point interface. It features a title "Authentication Point" at the top. Below the title, there are two input fields: "OpenAthens username:" with the text "nhstesttest" and "OpenAthens password:" with a masked password "*****". A "Login »" button is positioned below the password field. At the bottom of the form, there are three links: "Forgotten password?", "Alternative login", and "Login help".

The screenshot shows a sidebar menu with the following elements:

- Other formats:** A section header with a grey background.
- Citation:** A link with a document icon.
- Full text - PDF (1 MB):** A link with a PDF icon, highlighted with a grey background.
- More like this:** A section header with a grey background.
- See similar documents:** A link with a right-pointing arrow.
- Search with indexing terms:** A link with a downward-pointing arrow.
- Subject:** A section header.
- Chronic obstructive pulmonary disease:** A link with an unchecked checkbox.
- Search:** An orange button at the bottom right.

You can save PDF copies of chapters by selecting the chapter from the bottom of the page and then selecting "Full text – PDF" under "Other Formats".
