

The Christie at Salford Patient gowns

This gown is for your own use throughout your treatment. It is important that you remember to bring this with you every day for treatment as we have a limited number of gowns. If you do forget to bring it, we will accommodate you as best we can.

On your final day of treatment, please remember to leave your gown in the laundry basket that is within the changing cubicle on your way out.

If you forget to leave your gown on your last day of treatment, we would be grateful if you could return it to either our reception or by posting to:
