

Lung Cancer: what the future holds

Tuesday 28 September 2021 - via Livestream

Overview

This study day will provide an update in the field of lung cancer whilst looking at the patient holistically. We will look at new treatment options, clinical trials and the impact that treatment (or no treatment) has on patients.

Intended Audience

Suitable for Nurses, Allied Health Professionals and all Clinicians with an interest in lung cancer

What to expect

- Managing symptom clusters
- Psychological impacts of no treatment and the fear of recurrence
- Clinical trials
- EBUS and ROSE
- Prehabilitation
- Patient case studies

Fee

£50 Christie Staff

£50 Livestream

"5 for 4" available on Livestream tickets
