

# Breast Cancer

Tuesday 5 October 2021 - via livestream

## Overview

A virtual education event covering important topics in all areas of the breast pathway to help breast multidisciplinary teams get up-to-date after (or in spite of) the COVID pandemic.

## Intended Audience

Suitable for all members of the breast multidisciplinary team including doctors, specialist nurses, allied health professionals, and researchers.

## What to expect

- Power Hour: getting you up to speed at speed! 5 short presentations on important breast updates for 2021/2022
- Greater depth sessions focusing on:
  - Research and trials
  - Endocrine therapy
  - Prevention
  - Secondary breast cancer

## Fee

£35 Livestream

"5 for 4" available on Livestream tickets
