

# TYA Research: the current research landscape and the treatment opportunities of the future

Thursday 14 October 2021 - via livestream

## Overview

This study day will provide an overview of the research developments and opportunities surrounding TYA cancer care. We will discuss pioneering TYA clinical trials and tumour banking for TYA patients amongst other topical factors.

## Intended Audience

Suitable for all researchers and healthcare professionals with an interest in TYA research as well as those working in primary or secondary care working where TYA's may present and colleagues working within paediatric's.

## What to expect

- Current clinical trials and the upcoming ALL trial
- Tumour banking
- Fertility
- Patient perspective

Submit your 250 word abstract to [the-christie.educationevents@nhs.net](mailto:the-christie.educationevents@nhs.net) for a reduced ticket price. Successful abstracts will feature in our electronic poster gallery.

## Fee

£50 Livestream

£45 Poster submission rate

"5 for 4" available on Livestream tickets
