-------	-------------	--	--	-------------	-------------

Could you please tell me between January 1st 2021 and the date of this email (21st July 2020):

1) How many PALS enquiries and official complaints your Trust has received from patients concerned about

a) the impact of the coronavirus pandemic and your Trust's response on their or their family member's access to cancer treatment

b) and access to cancer testing - including tests to find out whether their or their family member's cancer has spread, returned or occurred for the first time

NOTE: I suggest you search for these complaints by using the keywords 'cancer treatment', 'chemotherapy', 'cancer testing', 'coronavirus', 'COVID-19' and other relevant terms.

2) For the five most recent PALS enquiries/official complaints received, please provide me with

a) a summary of the complaint (e.g. a patient with stage 4 lung and breast cancer has contacted PALS to complain about their chemotherapy being postponed for a month)

b) the exact wording of the complaint, with redactions to remove potentially identifying information

c) what action the Trust took in response
