

Rutherford Place Copson Street

Guiding Principles:

- To create a square in front of the library
- To improve Copson Street by making it more pedestrian friendly

Rutherford Place:

- Create a clear arrival point to Withington Village, and a more user-friendly area for people of all ages around the library
- Design a large, level safe and usable public square to encourage use by people and businesses

Copson Street:

- Improve the visitor experience to Copson Street with more space for people to meet and socialise
- Create a vibrant street with space for businesses to trade and occasional community events or markets
