Guide to Accessing eJournals

There are two ways to search and browse the Kostoris Library's ejournal collection:

- Using the search function on the library intranet
- Through the library's catalogue (Liberty)

We have various ejournal suppliers, if you are having difficulties with a particular supplier, please go to page 3.

Searching from the library intranet:

From the eJournals page, you can enter a subject into the search box and click search.
